NOTICE

Temasek Club has been gazetted by the Government as a Protected Area under the Infrastructure Protection Act.

The designation as a Protected Area empowers the Management to exercise enhanced powers to take special measures to control the movement and conduct of persons in the premises, in the interest of public safety, security or the national interest.

You will see the Protected Area signs being put up around the Club. Please do not be alarmed as this is a legal requirement for a gazetted area.

This will not change the way that the Club operates. As an SAF Officers' Club, our members have always been behaving with decorum and respect. We are confident that we will continue with this tradition moving forward.

The Management will safeguard all in the Club and deal with those who pose a risk to public order, safety and security. Members can continue to enjoy the Club facilities in a secure and safe Club environment.
